

Sunday School— the original small group Bible study experience! Sundays @ 9:30 AM

“Which group is right for me?” Below is a directory of the Sunday School groups currently meeting at New Salem. Some of the descriptions may seem broad—our goal is that as each group grows we can spin off new groups that are more narrowly targeted to the life stage of the participants. Feel free to try out more than one! If you need further assistance, please contact Pastor Alan or our current Sunday School Director.
